**Reports**
K. Richards clarified that the Norton Shores branch will implement Sunday hours after Labor Day. Via phone conference, K. Richards discussed with the Muskegon County emergency planner how MADL could assist by using Administration location in such instances (and possibly Bookmobile). A natural gas generator would keep headquarters operational for power outages.

A. Varela discussed MADL’s recent participation in community outreach, such as Senior Community Day, Hackley Community Care event, Windflower Bay Community, and the Arts & Drafts Festival. She noted the Storyville logo has changed to accurately reflect each location (e.g. submarine, lighthouse, and house). J. Wonders noted interviews were completed for the Library Assistant I and Emerging Technology Specialist positions, and Lead Librarian interviews will follow.

**Old Business**
K. Richards stated a MADL Foundation Fund report will be available at September’s meeting.

D. Hughes commended the significant technological progress in the last year.

**New Business**
B. Hall presented the 2019 Revised and 2020 Proposed Budget and accompanying narrative in preparation for September’s Budget Hearing. The L-4029 and Budget Resolution were also provided for millage purposes.
