K. Wisniewski talked about mobile hot spots that he hopes to have in place in March. Mobile hotspots provide internet for those who do not have it and/or cannot afford it. Mobile hotspots can also be taken on vacation by MADL patrons. The checkout time will be three weeks. There are many areas in Muskegon County that do not have internet access. MADL plans to purchase 20 mobile hot spots.

J. King asked about fees for residents in Oceana County who would like to use the Montague Library. A portion of Oceana County residents go to school in the Montague School District. K. Richards will look into this matter and bring it back to the Board.

B. Scolnik asked about the Storyville cost sheet which indicates estimated and actual costs for the project. He also asked K. Richards to make a presentation to the County Board.

K. Richards said he is working closely with White Lake, Hackley and Fruitport Libraries to write an LSTA Early Literacy grant. The grant has received preliminary approval.

D. Hughes stated he attended a meeting a couple weeks ago Lakeshore University of Michigan Alumni Club that reminded him of the importance of our jobs. Representatives were there from U of M, Read Muskegon, and many others in the area. Statistics show there are still 30,000 illiterate people in Muskegon County and
core community scores are next to the bottom in the whole state. MADL plays a role along with other agencies to address these literacy concerns.
