

FACE MASK NOTICE

July 12, 2020

As required by Michigan Governor Gretchen Whitmer, all MADL patrons must now wear a face covering or face mask when occupying any MADL branch library. We understand that some patrons have medical conditions that prevent them from wearing face coverings and we will follow the Governor's latest order on who is exempt from this requirement. Patrons are encouraged to consider using MADL's Curbside Pick-up as an option for their library needs.
